NEWS 2008

To Synergistic Systems Clients and Associates

As we begin 2008, we have important announcements regarding Synergistic Systems Incorporated.

1. New Corporate Name and Logo

In January 2008 we start using our new alternate corporate name, **SynergisticIT**. You will start seeing it in our email signature and in correspondence.

Question: Why a new Name?

Over the years our experience has evolved beyond "Systems Development" which was our core expertise when we founded Synergistic Systems. SynergisticIT more accurately reflects our wider range of capability.

Question: What does this mean for contracts and agreements already in place?

Nothing needs to change. Synergistic Systems is still a valid legal name. SynergisticIT is an alternate name or DBA (Doing Business As). SynergisticIT and Synergistic Systems are legally equivalent names.

2. New Sales Office

We've opened a new sales office in Iselin (Metro Park), New Jersey. Our new location, strategically located in central New Jersey, allows us to be closer to our customers in New Jersey while just being a short train ride to New York City. The 1 Penn Plaza office in New York City has been closed.
